

■ Pressure Switch

■ Type of General

▶ Description

Product with the features of the external signal to pass emitted at one outgassing components constituting the automatic fire extinguisher

▶ Features

- Small, lightweight construction
- High reliability with gas pressure behavior

SPECIFICATION

Model	NPS-1GG0241
Size (W x D x H / mm)	55 x 115 x 32
Operating Pressure	0.2MPa
Use Temperature	-10℃ ~ 60℃
Contact Capacity	DC 24V / 2 A
